Stick an eight-inch screwdriver into the soil. If you can push it more than three inches below the surface, you don't need to water!

### Not Sure If You Need to Water?

Try the screwdriver test. Stick an eight-inch screwdriver into the soil. If it goes in more than three inches below the surface you don't need to water. Visit [BeWaterSmart.info](http://BeWaterSmart.info) for more tips and to find out about...

Take your car to a Be Water Smart certified carwash. Click here for a coupon and list of participating carwashes.

### Feel Good About Getting Clean

Visit a Be Water Smart certified carwash and feel even better about your car wash. Our carwashes use high-pressure, low-flow nozzles and recycle water. Special cleaning coupons are available.
