**Contact:** Craig Locke  
Board President  
Sacramento Suburban Water District

# Sacramento Suburban Water District Sets New General Manager Effective Date to Jan. 1, 2018

**SACRAMENTO**— The Sacramento Suburban Water District (SSWD) Board of Directors had announced Dan York's appointment as General Manager in October 2017 after an extensive recruitment process. The appointment is now effective January 1, 2018, the District has announced. York is succeeding Robert Roscoe, who is retiring after serving as SSWD's General Manager for the past 15 years and a career in water engineering and management that spans the past 40 years. Roscoe will remain with SSWD as a Special Advisor.
