

**REGIONAL WATER AUTHORITY  
EXECUTIVE COMMITTEE AGENDA  
September 22, 2021; 8:30 a.m.**

**AMENDED AGENDA**

The public shall have the opportunity to directly address the Board on any item of interest before or during the Board's consideration of that item. Public comment on items within the jurisdiction of the Board is welcomed, subject to reasonable time limitations for each speaker. Public documents relating to any open session item listed on this agenda that are distributed to all or a majority of the members of the Board of Directors less than 72 hours before the meeting are available for public inspection in the customer service area of the Authority's Administrative Office at the address listed above. In compliance with the Americans with Disabilities Act, if you have a disability and need a disability-related modification or accommodation to participate in this meeting, please contact the Executive Director of the Authority at (916) 847-7589. Requests must be made as early as possible, and at least one full business day before the start of the meeting. The Executive Committee may consider any agenda item at any time during the meeting.

**Note: Pursuant to the Governor's Executive Order N-29-20, and given the state of emergency regarding the threat of COVID-19, the meeting will be held via teleconference.**

**We encourage Committee members and participants to join the meeting 10 minutes early. Note that we will use GoToMeeting to share slides and other information during the meeting. Use the link below to join GoToMeeting. If you have a microphone that you can use with your computer, it should be possible to both listen to, and participate in, the meeting through GoToMeeting. If you do not have a microphone, or a headset with a microphone, that plugs into your computer via USB port, you will need to call into the conference line to listen and comment, although you still should be able to view the meeting materials on GoToMeeting. Please do not simultaneously use a microphone through GoToMeeting and the telephone conference line. That combination results in audio problems for all participants.**
