

# *Strategic Plan Prioritization*

*May 12, 2022*

## **Mission**

To serve, represent and align the interests of regional water providers and stakeholders for the purpose of improving water supply reliability, availability, quality and affordability.

## **Vision**

The Regional Water Authority is recognized as a leader for its integrated and collaborative approach in assisting its members' effective management of the region's water resources in support of a sustainable environment, healthy communities, a vibrant economy, and water supply reliability and resilience under future climate conditions.

## Highest Priorities

- Support members' efforts to improve water reliability
  - Completion of the Water Bank
  - Support compliance with the Sustainable Groundwater Management Act
- To assist our members in receiving funding from State and Federal sources
- To assist our members in retaining their water entitlements, rights and contracts and to put them to beneficial use
- To assist our members in reducing their costs of service

- Status (Rating of the sub-objective)
- Volunteer Labor
- Core or Subscription
- **Proposed Priority**
- Consultant or Other Resources
- Timing

*Thank you!*
