In addition to action on the bills above the EC is being asked to confirm the RWA support for AB 1413 (Papan D- San Mateo). The Executive Director in concurrence with General Counsel adopted the position in order to met legislative timelines and that immediate action was necessary to protect the interests of the Authority's Members and Contracting Entities, and that the position is consistent with the applicable approved RWA policy principles.

 Executive Director

EXECUTIVE SUMMARY

This is an action item to receive a Classification and Compensation Report submitted by Regional Government Services (RGS) consider job description, title and salary for Finance and Administrative Manager and recommend approval of revised job description for Finance Director to the Board of Directors.

STAFF RECOMMENDED ACTION

Staff recommends the following actions: Provide direction to the Executive Director

BACKGROUND

At the September 24, 2024 Executive Committee meeting, the Executive Committee directed the Executive Director to hire a consultant to conduct a review of the compensation and classification for the Finance and Administrative Services Manager and the Executive Assistant/Clerk of the Board. RWA contracted with RGS to perform the review. At the time, the Executive Director suggested that both incumbents were working at a level higher than their classification and were undercompensated.

RWA Policy 400.2 governs the compensation and the reviews of compensation for the RWA and SGA staff. The policy includes the following directions:

It is the intent of the Authority to provide employee compensation (pay and benefits) that is fair and equitable and that is comparable, based upon an employee's experience, skills and performance consistent with established job descriptions, and with that of similar water and public entities regionally. As a small, professional, management-focused organization, it is the intent of the Authority to provide employee compensation at or above the labor market for the industry and the geographic area. The compensation practices of the Authority will be competitive within the industry and geographical area to attract the most qualified candidates and to minimize turnover of its employees.

Policy 400.2 states that the Executive Committee has the authority to approve compensation surveys. The policy states: "...a compensation survey may be commissioned at any time if

directed by the Executive Committee or if recommended by the Executive Director and approved by the Executive Committee.”

RGS has completed their review of the classifications and compensation and has provided the RWA a report with their findings and recommendations. RWA Policy 400.2 states:

The Executive Director will use the results of the survey to propose modifications to base rate of pay and/or benefits necessary to achieve the intent of this policy. Proposed pay ranges should include consideration of such things as 1) the mean, median and 62.5th percentile of the compensation data, 2) the comparability of surveyed classifications to RWA job classifications, and 3) RWA experience recruiting and retaining staff in each classification.

Class Specification – Finance Director

EXECUTIVE SUMMARY

The Regional Water Authority (RWA) engaged Regional Government Services (RGS) to conduct a classification study for the Finance & Administrative Services Manager classification. The purpose of the study was to determine whether the current classification accurately reflects the level and scope of work performed by the incumbent.

METHODOLOGY

The methodology employed in conducting this study was as follows:

- Review and analyze the Position Description Questionnaire (PDQ), current classifications within the agency, and other related documents.
- Interview the incumbent to discuss and clarify all submitted documentation and review the position's duties and responsibilities.
- Analyze the scope and complexity of the responsibilities and tasks performed and the required skills, knowledge, and abilities.
- Develop recommendations based on the analysis of the above information.

BACKGROUND

The incumbent performs highly complex analytical financial work for the Regional Water Authority and the Sacramento Groundwater Authority (SGA). His work supports numerous boards/members, projects, programs, and activities governed by various laws, rules, and regulations. The following background is provided to understand better the breadth and scope of their work and the agency.

The Regional Water Authority was formed to serve, represent, and align the interests of regional water providers and stakeholders and improve water supply reliability, availability, quality, and affordability. RWA members include cities, water and irrigation districts, mutual water companies, investor-owned water utilities, and community services districts.

RWA Board of Directors – 22 Member agencies (with two representatives per agency)
Member agencies of the RWA may appoint two representatives to the Board of Directors, either of whom may cast a single vote on behalf of their agency. All are welcome at the meetings.

RWA Executive Committee – 9 Members

The RWA Board of Directors coordinates and monitors the activities of RWA staff, reviews and approves routine business decisions, and serves as a sounding board for ideas on behalf of the Board of Directors.

RWA Associates – 7 member agencies

An “RWA Associate” class of membership was established in 2003 to include public and/or private entities that are not water utilities but have an interest in regional water matters. Associate members do not hold a seat on the RWA Board but are able to participate in regional water policy discussions and RWA programs/partnerships and receive other benefits of RWA membership.

SGA – 16 member agencies

The SGA draws its authority from a joint powers agreement (JPA) signed by the cities of Citrus Heights, Folsom, and Sacramento and the County of Sacramento. The signatories manage the basin cooperatively by creating a governing board of directors comprised of representatives of 16 water agency members and other water users within their jurisdiction.

STUDY FINDINGS

The class specification indicates that the position plans, organizes, directs, manages, and reviews the financial and accounting operations of the RWA and SGA; administers human resource functions; ensures that general office administrative support is provided; and serves as Board Secretary and Treasurer.

While not currently required for the position, the incumbent is a Certified Public Accountant (CPA). His level of skill, experience, and certification allows him to perform activities previously managed via an outside contract/consultant, including preparing closing and financial statements. This has allowed the agency to eliminate the expense of this contract service (over \$60,000/year). Since joining the agency, the incumbent has made corrections that were noted in prior audits, and the recent audit contained no new findings.

The incumbent prepares and manages the agency budgets, financial statements, and state-mandated reports, as well as prepares board reports for both the RWA and the SGA, with little need for direct involvement of senior management. Because the agency serves both the RWA and SGA, costs must be appropriately allocated. The incumbent has streamlined the allocation process, made adjustments, and created processes to ensure the allocations are accurate and can be supported and explained.

The incumbent serves as the Treasurer for both the RWA and the SGA, which involves planning, recommending, and implementing financial strategies and activities related to the administration of investment, finance, and operational programs. He monitors financial trends, investments, economic conditions, and markets to predict their impact on the agency.

The incumbent ensures that fiscal activities are in compliance with GASB guidelines, federal, state, and local laws, regulations, codes, and standards, as well as RWA and SGA guidelines, policies, and regulations. His advanced knowledge and experience have allowed the agency to modify some internal procedures, including ensuring adequate internal controls are in place. He administers RFPs and oversees purchasing and monitoring of contracts and agreements. The

incumbent manages state and federal grants to ensure compliance with agreements and oversees grant record-keeping, billing, and budgeting.

The incumbent exercises independent judgment, deals professionally and tactfully with elected and appointed officials, and is able to present and explain complex financial information to various individuals. The incumbent oversees the agency's technological needs and serves as a liaison with the outside contractor.

As is often the case in smaller agencies, the incumbent is responsible for the human resources, payroll, and accounts payable/receivable activities. This requires knowledge of employee benefits, retirement systems, payroll, safety, and public accounting. It requires maintaining current knowledge of pertinent laws, regulations, and rules and compliance with all reporting requirements. The incumbent maintains all necessary records and files in a confidential and compliant manner.

ANALYSIS

The analysis showed that the incumbent performs all the duties identified in the Finance and Administrative Services Manager class specification. Because of his experience, knowledge, education, and certification, he also performs additional duties beyond those required of the current position, some of which were previously contracted to outside consultants.

The incumbent is responsible for developing and implementing policies that dictate how funds will be allocated. The possession of a CPA provides him with the expertise to be heavily involved in the agency's audits, prepare complex financial reports, and ensure the agency's activities and records are in compliance with applicable laws and regulations. He is able to recognize and respond appropriately to changing conditions and explain complex financial issues to stakeholders with varying levels of fiscal expertise. These duties and responsibilities are beyond the scope of those customarily assigned to a Finance Manager classification and are not reflected in the current Finance and Administrative Manager class specification.

SALARY CONSIDERATIONS

Due to the recommended classification's specialized set of duties, skills, abilities, and qualifications, it is challenging to find sufficient data to make valid salary recommendations based on external market data. Therefore, RGS conducted an internal salary alignment analysis to determine the appropriate salary recommendation. This included reviewing and comparing the following classification factors to those of other Authority job classes to determine the appropriate salary ties.

- Authority and Autonomy in Decision Making.
- Scope and Complexity of the work.
- Types and Frequency of Contacts.
- Supervision Exercised and Received.

- Knowledge, skills, and ability are required both at entry and learned after entry.
- Minimum Education and Experience required for successful performance.
- Required licenses and certifications.

RGS has recommended the reclassification of the Finance and Administrative Services Manager to the Finance Director. This is due to the expanded breadth of responsibility of the position. As stated, as the incumbent is a CPA, he is able to perform duties significantly beyond the scope of the Finance Administrative Manager classification. Due to his expertise, he makes high-level fiscal decisions on behalf of the Authority and provides expert professional support to the Executive Director and the Board of Directors. His level of expertise and designation as a CPA have also allowed the Authority to lessen its dependence on outside consultants, allowing the Authority to work directly and more successfully with outside auditors. These factors support a significant salary adjustment to the Finance and Administrative Services Manager classification.

RECOMMENDATIONS

The RWA is a unique organization with a complex operation. The incumbent manages duties that serve two entities. He brings advanced-level training, certification, and experience to his position. As noted in the analysis, he performs at a level significantly above his allocated position. The agency would likely require additional resources to accomplish the work in his absence.

These factors create a distinct situation and opportunity for the agency. Since there isn't an existing classification that fully matches the work being performed, the needs of the agency, and the capabilities demonstrated by the incumbent, RGS recommends the following:

- Adopt the classification of Finance Director to accurately reflect the full scope of duties currently being performed by the incumbent, which are required and valued by the agency. The qualifications for the classification reflect the advanced level of knowledge, experience, and certification in line with those of the incumbent.
- Set the salary for the Finance Director twenty-five percent (25%) above the current salary range for the Finance and Administrative Services Manager classification, with a salary range as follows:

Classification	Step 1	step 2	Step 3	Step 4	Step 5	Step 6
Finance Director	\$14,049	\$14,571	\$15,114	\$15,678	\$16,263	\$16,858

- Reclassify the current Finance & Administrative Services Manager position to the Finance Director position and place the incumbent at the appropriate salary step in the recommended salary range.

ADDITIONAL RECOMMENDATIONS

Due to the incumbent's specific skillset, it is recommended that the existing classification of Finance & Administrative Services Director and related salary be retained in the agency's classification plan. This would allow the agency the flexibility to utilize it if needed in the future. In the event that the incumbent were to leave the agency, it may not be possible to fill the position with an individual who possesses the same level of experience, education, and certification as the existing incumbent. By retaining this classification and salary in the agency's system, there would be flexibility, if needed, for future recruiting purposes.
