Topic: Strategic Plan 2030

---------------	----------------------------------	------------	----------------------------------

EXECUTIVE SUMMARY

This is an action item for the Executive Committee to provide direction on the development of the RWA’s Strategic Plan (Strategic Plan 2030).

STAFF RECOMMENDED ACTION

Provide direction as appropriate.

BACKGROUND

At the May 8, 2025 Board Meeting, the Board of Directors agreed to initiate an update of the RWA’s Strategic Plan (Strategic Plan 2030). The purpose of this item is to have further discussions about the development of the plan, and for the staff to receive direction from the committee.

At the July 10, 2025 Board meeting, a panel of Foothill Water Agency representatives was formed to discuss their needs and interests in the RWA, and the strategic plan update.

The staff believes more discussion should occur regarding the development of the plan. The following questions should be considered by the committee:

- Should the Executive Committee have oversight of the plan, or should an ad hoc committee be appointed?
- What resources should be allocated to the plan?
- Does the committee have guidance on the acquisition of resources to assist in the development of the plan?
- Should additional panels be formed, and if so, what should be the theme of those panels?
- What are the committee’s thoughts on preparatory work?

The staff will provide a presentation to help inform the discussion.

FINDING/CONCLUSION

Staff recommends the Executive Committee provide additional feedback to inform the direction of the Strategic Plan.

Purpose: Policy 100.5 and Strategic Plan Priority- Advocacy Objective A

EXECUTIVE SUMMARY

This is an action item for the Executive Committee to take positions on state legislation and receive and update on legislative and regulatory actions.

STAFF RECOMMENDED ACTION

Take positions on the legislative bills as specified.

BACKGROUND

The Legislature went on summer recess July 18th and will reconvene for the end of the legislative session on August 18th. RWA is currently tracking approximately 100 bills. Please see attached tracked bill list (Attachment 1).

One of the biggest outstanding issues coming into end of session will be the resolution of the state budget. The Legislature passed and the Governor signed a budget package on June 27th. However, there are a number of outstanding issues moving forward that are almost certain to cause the budget to be revisited. Among the issues are an extension on cap and trade, addressing potential budget shortfalls from changes in federal funding, and policy trailer bills. Among actions that were taken associated with the June 27th budget were CEQA (California Environmental Quality Act) reforms. One issue in those reforms was a change to how water supply assessments apply to infill development. How that policy issue and others are addressed through the budget is likely to be an active area through the end of session.

Bill Number and Author	Bill Summary and recommend position
AB 476 (Mark Gozalez D- Los Angeles)	Would make a host of reforms to address metal theft. The shift in law focuses on closing down the market for stolen metal. At least one RWA member is supporting the bill while the statewide organizations have not taken a position. Current Position: None Recommended Change: Support

FINDING/CONCLUSION

This information is consistent with Policy Principles adopted as part of RWA policy 100.5 and Strategic Plan Priority- Advocacy Objective A.
