This was an action item presented by Ryan Ojakian, Government Relations Manager, requesting the Executive Committee to take positions on state legislation and receive an update on legislative and regulatory actions.

The Legislature passed and the Governor signed a budget package on June 27th. However, there are a number of outstanding issues moving forward that are almost certain to cause the budget to be revisited. Among the issues are an extension on cap and trade, addressing potential budget shortfalls from changes in federal funding, and policy trailer bills. With this backdrop there are a few bills and policies that an updated position is recommended.

AB 532 (Ransom D- Tracy)

CMUA sponsored Low-Income Rate Assistance bill. Recent amendments present a concerning precedent on voluntary opt-out contributions. There is an effort to address this issue through further amendments.

Current Position: Support

Recommended Change: Neutral pending outcome of amendments

SB 707 (Durazo D- Los Angeles)

Makes various changes to the rules for local agencies to hold public meetings pursuant to the Ralph M. Brown Act (Brown Act).

Current Position: None

Recommended Position: Oppose Unless Amended

Health Rivers and Landscapes Trailer Bill

Would create a specific exemption from CEQA for an action of the state board or a regional board relating to regional water quality control plans.

Current Position: None

Recommended Position: Support if amended
